2 Corinthians 3:18 **"We all, with unveiled faces, are looking as in a mirror at the glory of the Lord and are being transformed into the same image from glory to glory; this is from the Lord who is the Spirit."**

**Lisa Rollison, VP Public Relations, Kerrville Lighthouse, will be the speaker.**

Lisa Rollison began her walk with God through a church service at her grandmother's nursing home in July 2011. She was baptized by Pastor Diggs, of Mount Olive Baptist church, but it wasn't until January of 2016 that her relationship with God really started to grow. She began to attend a church of her own, where she was introduced to women's Bible studies. Her very first study was Priscilla Shirer's – The Armor of God. When Lisa heard that the weapon God has given to each of us was the Sword of the Spirit, which is the Word of God, she decided that she wanted her weapon to be as sharp as possible and as strong as possible. She began to diligently study her Bible. As she read His Word, she began learning about how great God's love was for her. She began to discover who she was in Christ. Then, something amazing began to happen. God removed the guilt and shame of her past drug addiction that she had been carrying with her for over 20 years. He then removed her depression and anxiety that had kept her as an emotional prisoner.

God put it on her heart that she would be sharing all of this and more with others, so her secret of past addiction would no longer be one she needed to keep. God was about to make something good of it! As she learned and grew in her salvation, God's love and joy grew inside of her as well! In one of the classes she attended, her assignment was to give a short talk on the topic of her choice. It was in this class that she made the decision to tell her story, her secret. There were only 4 women in the class that night, but one of them came up to her afterwards and said, *"I think you would be good at jail ministry."* And that was the beginning of her journey into ministry. Lisa has been doing jail ministry since March 2018. She has also spoken at women's prisons; the Hobby Unit in Marlin Texas and the Murray Unit in Gatesville. Lisa tells the women, *"Drug addiction was the prison Satan had convinced me I wanted to be in. Then in the prison of shame, guilt, depression and anxiety, he had convinced me that I deserved to be there. I lived a life without God, with drugs, and was broken and miserable. After I had stopped using drugs, I had remained without God, and was still just as broken and miserable. It wasn't until I accepted Jesus as my Lord and Savior that I then, finally discovered a life worth living."* Lisa will be the first to tell you that her life did not change the moment she was baptized. She went on living in that prison of depression and anxiety for 4 ½ more years. It wasn't until she made seeking God a priority in her life through praise, worship and studying His Word, that God's healing in her began. Lisa's ministry doesn't just happen in

the jails and prisons. She shares God's goodness, the healing and the joy He has given to her and the peace that comes from staying in His Word, with everyone she knows and meets.
