### Scott and Ellen Coon

are both licensed and ordained ministers with over 30 years of ministerial experience. They served as senior pastors for over 20 years and are the founders and directors of Global Connections International, a ministry dedicated to the care and encouragement of churches, ministers, ministry leaders, and their families through fellowship and covenant relationship. Scott and Ellen's ministry is apostolic in nature, providing spiritual covering for ministers and churches. They have an intense love and appreciation for the flow of the Holy Spirit and the manifestation of His wonderful gifts with an emphasis on teaching the Body of Christ to "yield and respond" to the Holy Spirit.

### Carol Torrance

is one of only 12 Aglow International Regional Directors in the U.S. She serves as Regional Director of the South Central region, a territory that includes Texas, Oklahoma and Missouri. (Carol is a resident of Houston.) She loves people and her grace extends to all. She is a strong and wise leader, and an inspiration to all who know her. Most of all, she loves her God and faithfully serves Him and ministers to His people through this ministry. The joy of the Lord is Carol's strength and her heart is for Kingdom people to come to a place of wholeness knowing who He is in us and who we are in Him. Her heart is to see men and women restored to the plan, purpose and position that God has for them.

### Louada Raschke

is a lover of God, worship leader and ordained minister. Her calling is to minister in music and God's Word so that others may "Know the Truth and Be Free!" Together with her team, "A Cross Generations Band," she loves to passionately worship and lead others into intimate, life-changing God encounters! Louada desires to be continuously aglow and burning with the Spirit. Her life and ministry as a singer, song writer, television and radio evangelist is built upon John 8:32, "You shall know the truth, and the truth shall make you free."
