A WORD FROM OUR REGIONAL

DIRECTOR, CATHY CAYLOR

IN THIS 55TH ANNIVERSARY OF AGLOW, I'M LOOKING FORWARD TO HOW HOLY SPIRIT IS ESTABLISHING OUR HOUSE. HOW HIS LIGHT, AND HIS REVELATION WILL BRING HIS GREAT SURPRISES AS WE WALK IN OUR GOD-GIVEN IDENTITY & AUTHORITY TO POSSESS OUR INHERITANCE, WHILE PROCLAIMING HIS WORD WITH GREAT JOY AND EXPECTATION!

WITH SPRING IN OUR STEPS

Your **Regional Team and Deb Moorhead** are on assignment as they travel to Washington DC every year to pray with leaders and declare the Glory of God!

This past year was extraordinary as they gathered with thousands of believers on September 11th in various key locations along with Sean Feucht's Ministry, **Let Us Worship. POWERFUL TIME!**

COORDINATOR

Glory to GOD!! We may be experiencing GROWING PAINS! YES, as we step out in faith and break loose from the OLD, we may see or hear things which do not look quite right. Guard your hearts and ask Holy Spirit to give you HIS PERSPECTIVE. It looks totally different from where He dwells.

MOVING FORWARD

MOMENTUM is what I am hearing. We must keep pace with Holy Spirit and not lose momentum. Keep it moving; don't stop.

NEW JERSEY NEWS

Some of our sisters from PA and NY joined us at our NJ Prayer Rally. It was GLORIOUS!

Diane Caliendo had a word for us: *“My people, I have been calling you to come out of the doorway of the cave. I have called you to go and stand on the mountain in My presence so that you may hear the whispers that I am sending you from My throne room. It is time now to get out of the doorway of the cave and to go higher with me. As you do this you will start to hear My voice clearer and clearer. As you hear My words they will go into your heart and then come out of your mouth. This is the season to go up to the mountain and maintain My presence because the **harvest is ready for picking**. I need your voices to speak out. This is the year of the voice, the year of Pey and you must be part of this movement to share the Gospel. I need you as boots on the ground and as My voice to shake the nation. Do not be afraid like Elijah was. You have protection from the enemy. I am your protector. I am your Jireh. I am your provider, and I am enough.”*

AMEN!! Recently, I had a dream about the harvest. I saw the word, **FOUCE** which means a strong sickle. I knew we were to pray into that word and continue to pray for the harvest. Don't lose sight of our assignments and never stop moving forward.

Love you all,

Elaine

NEW YORK NEWS

Last fall Nancy McDaniel, International Prayer Director for Aglow sent this out for our NightWatch assignment. "Hosanna is a transitional shout that brings a new era. Hosanna is a powerful one word intercession. It means, "Lord, save!" Yet, it is a word we often use as a worship to the King of kings. As a prayer strategy, declare, "Hosanna!" of each of the extremely critical issues facing our nation right now. "Lord, You alone can save us! We worship You, King of kings, and declare Your Lordship over each crisis in our nation!"

Psalm 118:25-29 O God, please come and save us again; bring us your breakthrough-victory! Blessed is this one who comes to us, the sent one of the Lord. And from within the temple we cry, "We bless you!" For the Lord our God has brought us his glory-light. I offer him my life in joyous sacrifice. Tied tightly to your altar, I will bring you praise. For you are the God of my life and I lift you high, exalting you to the highest place. So let's keep on giving our thanks to God, for he is so good! His constant, tender love lasts forever!

Note the transition from verse 25 to verse 26

- Verse 25 "Oh, God, please save" - Hosanna is a desperate plea in an overwhelming time
- Verse 26 "Thank You, bless, You, for coming to save" - Hosanna is a victory shout

Pray with expectancy that God is bringing a transition from a desperate era to an era of victory! Hosanna! See the salvation of the Lord! See God shift history in our nation from desperation to victory!"

I think desperate times call for desperate measures. Desperate measures means extreme actions taken as a solution to a problem that cannot be resolved by ordinary means. It's time for extreme Christians to come forward and to make extreme prayers. Every time we feel desperate and see desperation before our eyes, shout "Hosanna". As we continue to shout "Hosanna" we will go from desperation to victory. Victory is ours!

"Hosanna" for New York, for the United States of America and for the world! There is victory in Jesus!

Love you,

Diane

PENNSYLVANIA NEWS

Some things that are going on in PA:
Ministry to Tradition House which is a home for the elderly. (Altoona LH)

Most all Light Houses have done the Game/Changers and Life/Changers.

One Lighthouse (Brookville) has been sharing Prophetic words over their Lighthouse. I attended one of the meetings and it was powerful as they shared the prophetic words that had been given to them. They also prayed for those at the meeting for whatever need they had. It was powerful and the Lord spoke a prophetic word over each person being ministered to.

Some of the Aglow's are doing Zoom meetings that seem to be going well. Especially during the winter months.

Participated in the Prayer movement with Helen Joy in the air, on ground etc. (All LH's and Area Teams)

Contacting those who are new interest people that have contacted Aglow International. Some are now joining in the prayer times that are scheduled.

Bible Studies are being done by some of the Aglow Lighthouses.

Center County LH is very involved with Human Trafficking ministry.

Doing fireside chats instead of speakers. They are also having speakers but not for every meeting. They have also had mini testimonies.

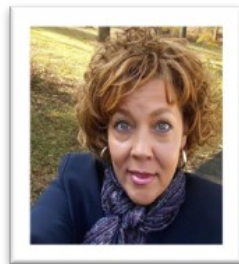

The Area Teams are encouraging their Lighthouses to encourage young women to come to their meetings. To pray about what they can be doing in their communities to bring more women to become interested in Aglow and to come to meetings.

GENERATIONS

Hi Everyone!

Just an update on all that is going on in Generations!

I am always looking to connect to those in Aglow with a heart for the next generation and a calling to draw in and love the next generation. I am looking for a representative from each lighthouse to attend a Generations zoom call once a month. In this meeting, we would discuss Generations related topics, drawing in the next generation, beginning generations groups and share ideas and encouragement. We would meet once a month and seek to develop a strong consistent group from which to grow! Please email or text me with anyone who would be interested! taraAcook@gmail.com 732-977-7554

I am looking to start a social media devotional channel for young adults. Please pray for me as I begin that adventure and be on the lookout so that you can spread the word.

I am also looking for volunteers who would help me keep our social media accounts on Facebook and Instagram. A few interested people to comment and respond to posts and to create and schedule posts once or twice a week. Please text me if you are interested! 732-977-7554

We are soaring into 2022 with big dreams! We are dreaming with God and pressing in for revival! It is my prayer that we will be prepared and in position for when the lost come into the Kingdom. That we will be waiting with open arms to pick them up, to brush them off, bandage the broken-hearted, bring them through the gates into freedom, and love them as Jesus does!

Love and blessings, Tara Cook

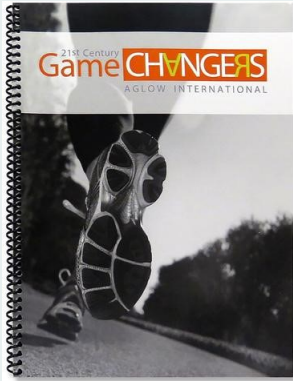

REGIONAL

Northeast Regional Aglow Rally is second to none!

INFORMATION FROM AGLOW INTERNATIONAL

Aglow

International is asking us to stop doing the same things, as usual. Ask Holy Spirit to direct you into doing a “NEW Thing”. Instead of the same meeting with a speaker, how about (a prayer gathering, a Bible study, a prayer walk, minister to the homeless or a shelter, make goodies for a nursing home, minister to those confined to their home, hit the streets).

JANE HANSEN-HOYT, CEO, is encouraging us to BE PREPARED! We will need to know how to minister to those coming in by walking in authority and being prepared. Build yourselves up by meeting together to pray and study. Don't forget, if it's an Aglow -related meeting, we need to use Aglow materials: **FIVE Best Bible Studies** from HQ for new people coming in- *Spiritual Warfare, Holy Spirit, Freedom from the Occult, God's Gift of Salvation, God's Love for Women*, etc. Also, use any of the materials from Chuck Pierce, Dutch Sheets, Lance, Graham and Asher.

Since we have Regional, State and Area leaders, **Advisors** are not required anymore. If we have advisors, they should be in alignment with Aglow's vision.
